

Your Prescription for Healthcare License Solutions

MedPro **SYSTEMS**

MedPro Compliance Advisory Services (MCA)

Comprehensive Compliance Services Tailored for Your Needs
by MedPro's Legal and Compliance Experts

Supporting Life Sciences organizations with advice and solutions designed to enhance compliance programs and meet regulatory obligations:

For over 20 years, clients have trusted MedPro to deliver the critical healthcare license solutions needed for compliant healthcare practitioner (HCP) engagement. We are proud to announce the MedPro Compliance Advisory Services (MCA) team, our newest piece to an integrated, single vendor solution for your compliance requirements.

With our diverse in-house team of pharmaceutical and device compliance experts and attorneys, clients have all the data, technology, and services needed to meet the laws and regulations impacting the Life Sciences industry – all under one roof.

Integrated Compliance Advisory Services Across MedPro's Solutions:

- The regulatory backbone behind MedPro's ComplianceReportingID™ which includes the RegulatoryID™ module
- Expertise, benchmarking and guidance for all of your organization's transparency reporting obligations whether Federal, State, Local, or International
- Your "extra hands" able to build out or enhance all elements of effective compliance and transparency programs including:
 - Compliance program gap analysis, planning, and build-out for pre & post commercial organizations
 - Code of conduct, policy, and standard operating procedure (SOP) writing
 - Training on laws, regulations, and internal policies for varied audiences
 - Monitoring, auditing, and investigations support
- Subject matter experts who track, analyze, and translate changing laws and regulations impacting the Life Sciences industry
